**X112 BUS UPDATE**

**The one indisputable reason why we are fighting so hard as a community to keep the bus service  
running is that "YOU NEVER KNOW WHEN YOU MIGHT NEED TO USE THE BUS"**

**The school holidays, while offering more opportunities for people to get out and about, is the most  
difficult time for the operators, Blueworks. The school runs, a very integral part of their bus service, are  
not running with the result that income is seriously reduced. Our message this summer is to get out  
there and use the bus whenever you can. Take your children, grandchildren and even your dogs and  
persuade others to do the same! There are many destinations for recreational purposes and numerous  
eating establishments en route. Available for purchase are a set of 8 easy walks in the Lowick to  
Coniston area all accessible by using the bus. (£3 a pack by ringing 835712).**

**As always, many thanks to everyone is contributing in whatever way to ensuring the service keeps  
running**
