From the Company that brought you “It’s A Wonderful Life” we now bring you “Brilliance” a show with music made specially for village halls, a 90 minute theatrical event that celebrates progress and change in a bright new world.

Just a polite note to say that the Village Hall Grounds are NOT to be used as a dog toilet. Even if you clear away afterwards, it still leaves residue and germs. This area is used for childrens’ play and should be treated accordingly.

Does anyone have jam jars they no longer want? Please leave any spare jars at the Village Hall. Thanks.
